

# THE BENSON

PORTLAND

A COAST HOTEL™ ©

An exciting opportunity to be a part of an extraordinary hotel and caring company. The Benson is one of Portland's finest historic, luxury, boutique hotels. We are seeking a Maintenance Engineer to add to our team.

The Maintenance Engineer performs routine and preventative maintenance work throughout the hotel, addressing regular wear and tear to the facility and ensuring a safe, quality experience that improves guest satisfaction.

## **Job duties & responsibilities will include (but are not be limited to):**

- Experience in technical crafts (HVAC, Chillers, electrical, plumbing, etc.).
- Maintaining/repairing fire and life safety systems, room equipment, HVAC, plumbing and electrical systems, kitchen appliances, refrigeration equipment, lighting, laundry equipment and other systems/equipment as directed.
- Performing skilled repair and maintenance operations using power tools, hand tools, welding equipment, etc.
- Responding quickly to guest requests/complaints in a friendly manner with follow up to ensure guest satisfaction.
- Complete training regarding safety, security, department procedures and service guidelines.
- Maintaining security of equipment, keys and supplies.
- Reporting needed repairs or unsafe conditions to supervisor.
- Able to develop and maintain financial budgets for scheduling, maintenance operations and long-term planning.

## **Requirements:**

- Maintaining a professional image.
- Operating and maintaining engineering computer systems.
- Excellent organizational and multitasking skills.
- Excellent communication skills, both written and verbal in English.
- Good problem-solving skills.
- Should be self-directed, but also have the ability to work well with others.
- Must possess the ability to work well under pressure and adjust effectively to change.

## **Education & Experience:**

High school diploma; General knowledge and experience in HVAC, Chillers, Electrical, Plumbing etc.; 3+ years' experience in facilities maintenance, plant operations or engineering services for a hotel.

This is a full-time, hourly, union position. \$25.86 / hour for individuals with journeyman level qualifications. Pre-employment drug screening and background check are required.

Coast Hospitality offers a variety of benefits, including competitive wages & health benefits, employee discounts, training & development, career advancement opportunities and more!

Please be sure to put "Maintenance Engineer" in the subject line when you submit your resume and references to:
